Woman found in Lake Margrethe

by Dan Sanderson
Staff Writer

A Crawford County Sheriff's Deputy recovered the body of a deceased woman from the frigid waters of Lake Margrethe early Sunday.

Crawford County Sheriff Kirk A. Wakefield said a 911 call was received at 9:17 a.m. on Sunday, Dec. 18, reporting a female was in Lake Margrethe and was believed to be deceased.

Crawford County Sheriff's Deputies and the Grayling City Police responded and found a body floating approximately 200 feet from shore. It was unknown as to when the individual may have entered the water. A Deputy entered the water and brought the body back to shore. Mobile Medical Response (MMR) EMS were on the scene, and the woman was pronounced dead.

The family of the individual found deceased, who reported the body in the lake, as they followed the footprints from their residence to the location she was found. The woman was identified as Elizabeth Ann Herberg, 49, from Portage.

Wakefield said no foul play is believed to be suspected.

The Grayling City/Township Fire Department, Grayling City Police Department and MMR assisted Deputies at the scene.

Hanson Hills plans for a white winter school break

by Dan Sanderson
Staff Writer

There will be a white Christmas, at least at Hanson Hills, as they prepare to get youth outside for their school winter break.

Grayling Recreation Authority employees, who operate Hanson Hills, began making snow with snow guns in conjunction with the little snow that Mother Nature provided last week.

"We got a couple of good mounds, but that was it," said Jeremy Beroset, the programs and events coordinator for the Grayling Recreation Authority.

Snow making efforts continued over the weekend and will continue during evening hours, when the temperature dips below the freezing mark.

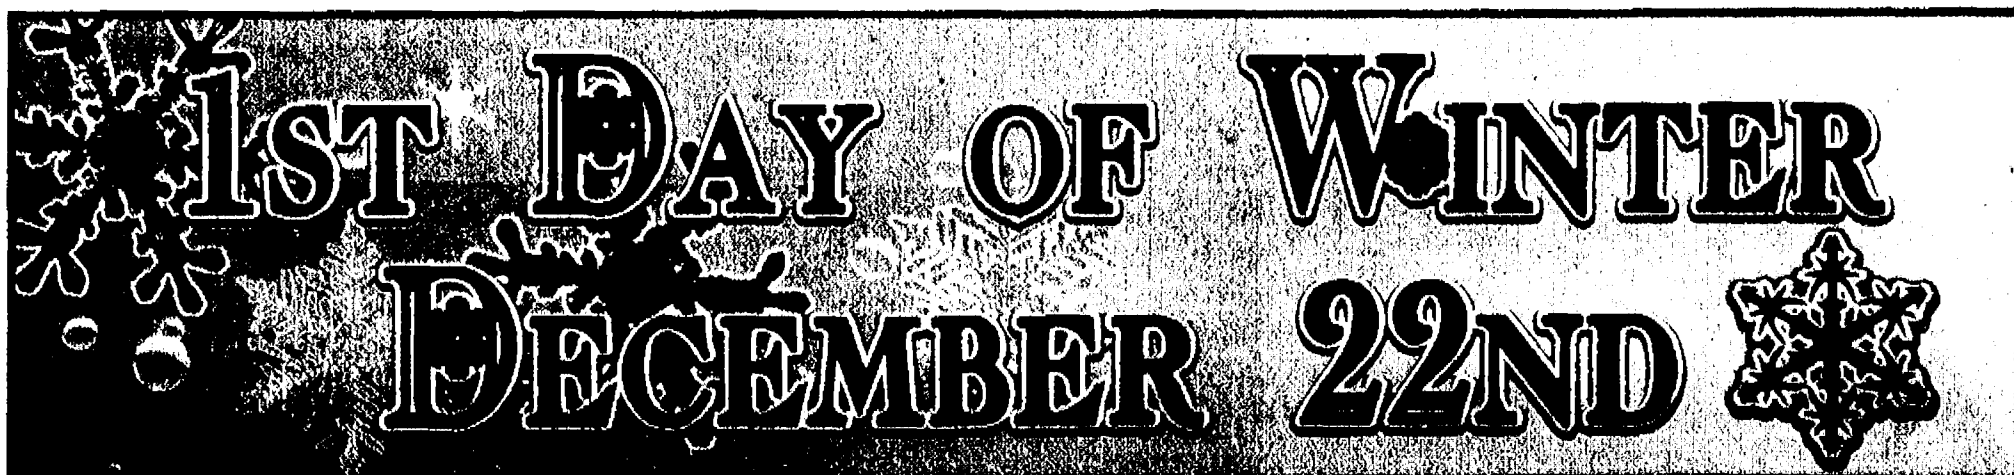

"It's hour by hour around here," Beroset said.

Hanson Hills plans to be open from 11 a.m. to 8 p.m. on Friday, Dec. 23, when the Crawford AuSable School District closes for winter break.

Stream & Lake Map of Michigan

**LOST
STREAM
MAP**

The STREAM & LAKE MAP OF MICHIGAN resembles another map-- known to Pennsylvania anglers as the "Lost Stream Map."

It was completed in 1965 after a 30 year effort by Howard Higbee, a former Penn State Professor.

Professor Higbee painstakingly plotted by hand, the location of 45,000 miles of streams onto the map. It sold extremely well - until the printer declared bankruptcy and hauled Higbee's work to the landfill.

But reprints were impossible because the maps were printed in non-photographic blue. Higbee was even offered \$400 for one of his last maps. And state agencies were forced to keep their copies under lock and key.

Then, at the age of 91, Howard Higbee's dream came true. Computers made it possible to reprint the map.

Then the STREAM & LAKE MAP OF MICHIGAN was created.

Why every angler and boater needs this map

Professor Higbee's Stream & Lake Map of Michigan is the first and only highly detailed map of its kind. The 4-foot-by-4-foot Michigan map shows 35,000 miles of streams plus lakes.

Kids Night Out gives students, parents a fun-filled evening

Photos courtesy of Angie Golnick

Kids Night Out was held at the Grayling High School (GHS) earlier this month to give students a night of fun-filled activities and a chance for parents to get in some Christmas shopping. Activities included a bounce castle, face painting, a coloring contest, Christmas ornament and card making, necklace or bracelet making, pin the nose on Rudolf or mustache on Santa, salon tables, runway model dress up, blocks, basketball, hula hoops, jump ropes and the bean bag toss game. Fifty student volunteers, 15 chaperones and other parents worked at the activity stations and provided security. Kids Night Out, which had 207 Grayling Elementary Students preregistered and 89 students registered at the door, was a fund-raiser for the yearbook and the prom for the GHS Class of 2013. Above, students work on crafts. Below, a trio of girls are pictured at the runway model dress up station.

The gift of Christmas is given through Stuff the Goose

Hundreds of toys and non-perishable items were donated to the Toys for Tots of Crawford County campaign last weekend through the Michigan State Police's Stuff the Goose program. The goose refers to the "Blue Goose," the patrol vehicles used by the Michigan State Police. Shoppers at the Grayling Kmart filled several carts and boxes with toys and items and made donations for toys that were purchased in the store Saturday. Above left, Andrea Comer, and son Pvt. Zachery Beroset of Grayling, who recently completed a U.S. Marine Corps boot camp, transfers toys from a shopping cart to a box. Local United Ways to distribute toy trucks to children in need this holiday season

Over 25 volunteers from local United Ways and Labor Unions worked hand in hand and helped unload over 14,000 toy trucks that will be distributed to children in need throughout the State of Michigan.

This is the 11th year that American Plastic Toys, an American toy manufacturer, located in Walled Lake, has donated almost 15,000 toys annually (165,000 total) to the Michigan Association of United Ways for distribution to its networks and an additional 165,000 to the Lions Club.

LyondellBasell donated 12,000 pounds of plastic, American Plastics Toys donated a week's worth of production time to produce the toys and apply stickers that were donated by Maple Press. E.L. and

Hollingsworth of Wixom handled the transportation.

This program is a perfect example of collaboration by the Society of Plastic Engineers and Michigan Association of United Ways.

This holiday season, Crawford County United Way will distribute 40 high quality toy trucks to children in our community through the Christmas program at the Crawford County Community Christian Help Center.

"We are so pleased some of the toys from this collaboration have reached northern Michigan to brighten Christmas for many children and their parents," said Cheryl Ruley, Executive Director of Crawford County United Way. "The 'Live United' motto we

embrace is well represented in this effort and proves that many hands make light work, especially when focused on a common goal."

In 2011, Crawford County United Way allocated \$32,500.00 to 16 local human service agencies and organizations, provided school supplies and backpacks for students in need, created a scholarship for most community service hours by a Grayling High School graduating senior, and is now a supporter of the Friends of Young Scholars program at Kirtland Community College.

To make a tax-deductible donation, send check or money order to Crawford County United Way, P.O. Box 171, Grayling, MI 49738.

Hanson Hills plans for a white winter school break

Continued from Page 1A

"We match everything with the schools and we cater to the school district," Beroset said.

Andy Sullivan, a forecaster for the National Weather Service office located just south of Gaylord, said no big snow storms are expected in the near future.

"It's going to be milder than we suspected," Sullivan said.

Sullivan said the snow made at Hanson Hills and other ski resorts should stick and there may be some lake effect snow as weather systems move across the Great Lakes.

"It's just more of the same, basically what we've had over the last couple of weeks," Sullivan said. "It's kind of a mixed bag. There will be no big storms, but there will be no big warm ups during the same time period."

Sullivan said staff and ski hills should not count on

much cooperation from Mother Nature.

"Maybe a little, but not much," Sullivan said.

Almanack

by Richard Milliman

Christmas can be observed in many ways

(Note to Readers: This Christmas column appeared a few years ago, and is repeated this year with minor adjustments. Merry Christmas to all Almanack readers!)

CHRISTMAS TIME is a time for good and happy things, and a time for stories about Christmases in past years.

We all make our own lore about our personal Christmas history. Most of our Christmas memories are happy ones.

It's our nature to remember the good things about life, but each of us probably has had a few clunkers thrown into past Christmases once in a while. We don't dwell on the sad times, however, unless they somehow produced some unexpected or lasting good results.

Here are a couple of Christmas stories which may be especially significant this year, as America hopefully closes the chapter on our long, draining war in Iraq, even while American service personnel still fight on in Afghanistan and while our American space program seems to be fading into a memory.

FOR MANY YOUNG men earlier in this century, Christmas probably was not a day eagerly anticipated. They were British sol-

diers fighting a war and separated from their homes and loved ones as Christmas came.

But strange things happened on the World War I battle front in 1914 a miracle perhaps.

On the Western Front during World War I, fighting had been fierce, but on Christmas Eve in 1914, firing from the German trenches suddenly stopped. British soldiers then halted their firing, too.

All was quiet. It became an unofficial and unexpected Christmas peace.

Although soldiers on both sides had been warned sternly against fraternization, some German soldiers and some British soldiers left their rifles behind and cautiously emerged from their separate trenches into no-man's land.

Then more soldiers from both sides came out, too. Soon they were shaking hands, wishing each other Merry Christmas, even exchanging cigars and schnapps. Soldiers from different nations traded names and addresses, joining together in Christmas songs. Christmas trees and lanterns appeared from the trenches. The Germans brought out a keg of beer, and the British produced tins of beef and jam.

The unofficial truce which

began on Christmas Eve lasted all of Christmas Day. Makeshift soccer games even developed.

On the morning after Christmas, the British captain fired three shots into the air and returned to his post on the British side.

His German counterpart - who had been drinking beer with the British officer just hours earlier - also had returned to the German side. The two officers bowed to each other, saluted, and all the troops returned to their own lines.

A few moments later, the Germans fired two shots into the air.

And the war was back on again.

The story of the Christmas Eve truce is a fascinating tale, and indicates how the magic of Christmas can be at work if we give it a chance.

ANOTHER WONDERFUL Christmas story also involves men wearing the uniforms of their country at Christmas time.

On December 21, 1968, just a few days before Christmas, Apollo 8 lifted off from the Kennedy Space Center on the first manned mission to the moon.

Its purpose was to orbit the moon in preparation for an actual moon landing on a subsequent space shot.

The astronauts of 1968, like the doughboys of 1914, were separated from their families, their loved ones, and their familiar surroundings for the magic time that is Christmas.

But the crew of Apollo 8 did not forget nor neglect the real meaning of Christmas, even while they were on such an unusual and important mission and a great distance from home.

As Apollo 8 entered its orbit around the moon on Christmas Eve, the crew began to relay back to Earth live television pictures of the moon and the Earth.

As Christmas 1968 dawned on Earth, this is how the crew ended their broadcast from space:

"For all the people on Earth, the crew of Apollo 8 has a message we would like to send you:

"In the beginning God created the heaven and the earth. And the earth was without form, and void, and darkness was upon the face of the deep"

Then the three man crew taking turns continued reading the first 10 verses of the Book of Genesis, which ended:

"... and God called the dry land earth; and the gathering together of the waters He called the Seas. And God saw that it was good."

Commander Frank Borman then

concluded the Christmas message from space: "And from the crew of Apollo 8, we close with good night, good luck, a Merry Christmas, and God bless all of you ... all of you on the good Earth."

The vastness of space, and the perspective the astronauts were observing first hand added special significance to their choice of message.

JUST AS THE soldiers from opposing sides of World War I, fought 54 years earlier, the men of Apollo 8 also recognized the real reason for the season of Christmas.

The ALMANACK is pleased to echo Apollo's message from space 40 years later, but from the perspective of familiar ground instead of the vastness of space:

To all of you, from the Almanack, a very Merry Christmas and a wish that God's blessings reach every one of you and all your loved ones.

Viewpoint

By Crawford County Sheriff Kirk Wakefield

Take precautions against burglars

As family and friends reunite this holiday season many leave their houses empty, which is tempting to burglars. The Michigan Sheriffs' Association and Sheriff Kirk Wakefield want to offer you the following tips to help make your absence less noticeable and your house less attractive to burglars.

Remember to lock all doors and windows - even the doors that open into your garage. Those garage doors are easier to open than you think.

Make sure your locks are sturdy - all entry doors should have deadbolts. If your entry doors have windows in them make sure your deadbolt is keyed on both sides and DON'T leave the key in the inside lock.

Make sure you put your newspaper and mail delivery on hold before you

leave. Burglars really do look for piled up newspapers and mail as a sign your home is empty. Leaving mail unattended for days also opens you up to potential identity theft.

Make arrangements for a neighbor to create car and foot tracks to your house if it snows while you're gone. You should arrange for someone to shovel your sidewalks and driveway while you're away, too.

A loud TV or radio can be a better deterrent than the best alarm system. If you're reluctant to leave your TV on while you're out of town you can buy a device that works on a timer and simulates the flickering glow of a real television.

Make sure someone you trust in your neighborhood knows you're out of town so they can watch for anything suspicious. Nosy neighbors are a great deterrent because

burglars will break a window to get in knowing that most people will stop if they hear a sound but if the sound doesn't repeat they will shrug it off. Your neighbor is more likely to call the police if they know you're out of town and it can't be you making that noise.

Avoid announcing your vacation on Facebook or any other social networking site. It's easier than you think to find your address.

For more safety tips Sheriff Wakefield encourages residents to visit the Michigan Sheriffs' Association website at www.misheriff.org where you can sign up to receive monthly newsletters. Founded in 1877, the Michigan Sheriffs' Association is the oldest law enforcement organization in Michigan.

Lions Club to hold free vision screening for children

The Grayling Lions Club, Inc. will hold a free vision screening for children in conjunction with Project Kindsight, in partnership with Children's Hospital of Michigan.

The screening provides instant photographs of a child's eyes to determine the presence of disorders including far and nearsightedness, astigmatism, strabismus (misaligned eyes), anisometropia (unequal refractive power), and media opacities (i.e. cataracts).

This screening is over 90% effective in detecting problems that can cause vision problems.

The targeted age group is one through six year olds, but older children may be screened if parents have a concern.

The information obtained from this vision screening is preliminary only and does not constitute a diagnosis of vision problems. This is not the same as an eye exam.

The screening will be held at the Crawford County Devereaux Memorial Library on Friday, Jan. 20, from 10 a.m. to 5. Appointments are not necessary and parents may accompany the child during the screening.

Chamber spotlights Grayling Co-Op Preschool in December

The Grayling Cooperative Preschool received the Grayling Regional Chamber of Commerce Ambassador's Club Spotlight-a-Member Award for December. Pictured above with teachers Liz Reynolds and Kaitlin Dulkowski and students.

The Grayling Cooperative Preschool was selected as the Grayling Regional Chamber of Commerce Ambassador's Club Spotlight-a-Member award recipient for December.

The preschool began in 1967 thanks to the hard work of two moms, Nancy Gazan and Marian Wittenberg.

After a year of gathering information from other preschools and working to meet licensing requirements, the Grayling Cooperative Nursery School opened in Michelson Memorial Church in Grayling.

In 1974, the nursery was able to incorporate and purchase their own modular classroom with the support of parents and the community. The classroom was first located on Plum Street and moved to its current location on Ingham Street in 1995.

They offer a preschool experience to 3-5 year old children and provide an excellent preschool education for children through a stimulating and creative atmosphere. The activities lay groundwork for the more formal academic learning that will follow in years to come.

The students attend field trips to various places throughout the community at least once a month. These adventures are educational and/or recreational. Past trips have included visiting the fire station, dentist's office and the fish hatchery.

All parents are encouraged to participate in the operation of the Grayling Co-op by holding a board position or working on one of the school's committees.

The Grayling Cooperative Preschool has been a chamber member since 2004.

The Bible Speaks

Peace in God's Kingdom

Romans 14:17 teaches us the true and false views of God's kingdom. "17For the kingdom of God is not meat and drink; but righteousness, and peace, and joy in the Holy Ghost." God's righteousness by grace through faith alone is the theme of Romans. 16For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek. 17For therein is the righteousness of God revealed from faith to faith: as it is written, 'The just shall live by faith.' As Isaiah 64:6 reminds us, "...all our righteousnesses are as filthy rags..." Christ Jesus is made unto us righteousness. (1 Corinthians 1:30). He was made righteous for us by His perfect life, and He was made sin for us by dying on the cross in our place. "21For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him." (2 Corinthians 5:21).

Having God's righteousness by faith in Jesus Christ is the first step to God's peace. "17And the work of righteousness shall be peace; and the effect of righteousness quietness and assurance for ever." (Isaiah 32:17). Through faith in Jesus Christ: "10Mercy and truth are met together; righteousness and peace have kissed each other." (Psalm 85:10). One of His names prophesied in Isaiah 9:6 was, "...The Prince of Peace." "For He is our peace..." (Eph. 2:14), just as He is our righteousness. (1 Cor. 1:30).

We are justified through faith in Him resulting in peace with God. "1Therefore being justified by faith, we have peace with God through our Lord Jesus Christ." (Romans 5:1). Faith in His shed blood for our sins reconciles us to God. "20And, having made peace through the blood of his cross,

by him to reconcile all things unto himself; by him, I say, whether they be things in earth, or things in heaven." (Colossians 1:20). Hebrews 13:20 assures us that by faith in His resurrection, we know we are His sheep through the everlasting covenant of His word: "20Now the God of peace, that brought again from the dead our Lord Jesus, that great shepherd of the sheep, through the blood of the everlasting covenant." This is why Christians preach the gospel of peace. (Acts 10:36).

But having peace with God does not mean we always have the peace of God in our lives. Philippians 4:6,7 teaches us not to be filled or controlled with cares, anxieties, and worries, but with gratitude to God as we pray, committing all cares to Him: "6Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. 7And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." "3Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee." (Isaiah 26:3). "65Great peace have they which love thy law; and nothing shall offend them." (Psalm 119:165). "7When a man's ways please the LORD, he maketh even his enemies to be at peace with him." (Proverbs 16:7). Jesus' birth proclaimed peace in Luke 2:14: "14Glory to God in the highest, and on earth peace, good will toward men." Jesus left us His peace in John 14:27: "27Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid." Woman writes book that includes daily devotions

by Dan Sanderson
Staff Writer

A Grayling High School graduate credits her education and events in her life for the inspiration to write a book that was recently published.

Tamara Dreier, a 1977 Grayling High graduate, has written the book "Thus Saith the Lord," which is a daily devotional for readers. The book was published by WestBow Press, a division of Thomas Nelson, a well-known publisher of Christian literature.

Dreier said processing her prayers inspired her to write the book.

"I took the time to get closer to God and write down what he spoke to me," she said.

Dreier and her family came to Grayling and she attended seventh grade through her graduation.

Dreier was successful in her English classes, which allowed her to hone her writing skills.

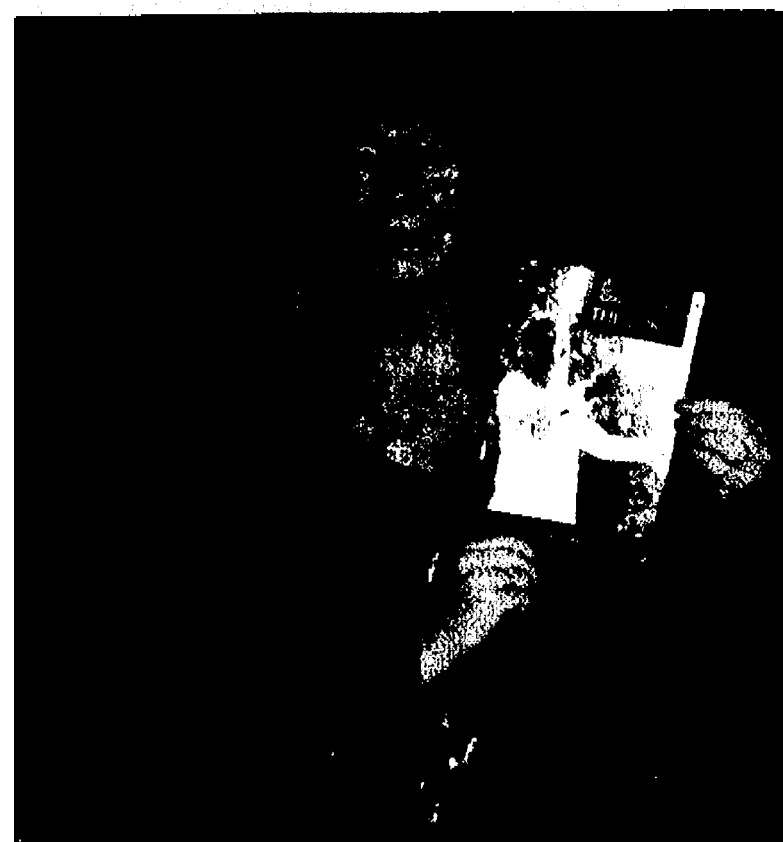

"Looking back at things that have happened in my life, they were kind of stepping stones to this book," Dreier said.

Dreier was saved when she was in fifth grade, but was not active with her religion or involved in church. That changed when she went through a painful divorce and started attending the Grayling Baptist Church.

"It was though that hurt and pain that I was drawn closer to God," Dreier said.

Dreier moved from the community in 1985 to Bowling Green, Ohio, where she was born and raised. She works as an accounting clerk for an architectural design firm.

Dreier continued journal-

Above, Tamara Dreier, a 1977 Grayling High graduate, has written the book "Thus Saith the Lord," which is a daily devotional for readers.

ing after her prayers and many of the 365 entries correspond to the days they were written.

"It wasn't really themed base," Dreier said of the organization of the book. "It was whatever I was going through and I seemed to have to go through a lot of

sadness, depression just to cry out to God and use him as forum to pray for other people who were going through the same things I was going through."

Dreier submitted the book to publishers in August and it was released in November. She hopes the book will help readers with the trials and tribulations in life.

"I want to let the Lord uplift them, encourage them and draw them closer to him," Dreier.

Dreier's family was attracted to Grayling through the love of fly-fishing. Her father, the late Tom Jones, used to come to the community to fly fish.

"My dad always came up here to fly-fish and that's what drew us up here," Dreier said. "He loved to fish."

The family moved to Grayling and Jones and his wife, Barbara, owned and operated the Waters Grocery Store. Later, Jones sold real estate in Grayling and cars in Roscommon.

Shred Shack opens to promote freestyle sports

by Dan Sanderson
Staff Writer

A business aimed at getting youth involved in freestyle skiing, snowboarding and skateboarding recently opened its doors just in time for Christmas and the winter season.

The Shred Shack, located at 607 James Street by the S & K Marathon station and the Dollar Castle, opened for business on Dec. 1.

The business carries skis, snowboards and skateboards as well as clothing and accessories.

Chris and Chad Ventline own and operate the Shred Shack. The name refers to doing tricks or shredding in the snow terrain parks or at the skate parks.

"It's all about the freestyle sports, skiing, snowboarding and skateboarding and it's just a slang word that is used," Chad said.

The main push for the Ventlines to get into the business is their son, Hunter, as well as getting other youth involved in freestyle outdoors sports.

Hunter Ventline, who will turn 9 on Dec. 22, is finishing his first year completing in the United States of America Snowboard Association.

The United States of America Snowboard Association, is the competition series for freestyle skiing and snowboarding.

In April, the 22nd annual national championships for the United States of America Snowboard Association, will be held at Copper Mountain, Col. The competition is expected to attract nearly 1,800 competitors ranging from 4 through 64 years of age, showing the growth, diversity and range of interest in freestyle sports.

at the Shred Shack, has also competed in United States of America Snowboard Association competitions. He finished fifth at a national competition and 11th the following year. Handy has also competed in other snowboard competition circuits for six years.

Handy, a 2005 Grayling High School graduate, said the Shred Shack has no plans to compete with existing cross-county ski shops.

"It's strictly freestyle and directed toward the youth," Handy said.

Handy, who is also a BMX cyclist, has worked at the terrain park at Hanson Hills and was among the volunteers who helped build the Grayling Skate Park.

Handy will handle day-to-day operations at the Shred Shack.

"He knows the industry, he knows the sport very well and does a lot on his free time and in his spare time," Chad said.

Chad said the store is aimed at providing equip-

ment and accessories to youth who are not involved in stick and ball sports or traditional outdoor activities in northern Michigan.

"They need a shop to get the stuff they need and support and the stuff they're into doing these days," Chad said. "It's a youth-oriented sport and business."

The Shred Shack will have a consignment area, creating easier access to allow youngsters to get involved in freestyle sports.

"It's about making things affordable for the parents and making things affordable for youth getting into

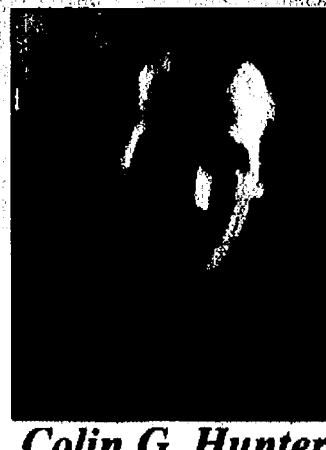

the sport and it's geared towards everybody," Chad said. "We want to get the kids outside and enjoying the snow."

The Shred Shack also offers waxing and sharpening for race skis, freestyle skis and snowboards.

This winter, the Shred Shack plans to host a series of five freestyle skiing and snowboarding competition events through the Cold Sweat Winter Sports Series, a Grand Rapids-based promoter that organizes winter sports competitions, at Hanson Hills.

Colin Hunter, a Northern Michigan University graduate in 2004 with a major in English and a minor in criminal justice, later graduated from the Thomas M. Cooley Law School in Lansing in 2007.

Since being sworn into the Michigan Bar in July of 2008 by his father, retired Judge John G. Hunter, also of Grayling, Hunter has focused his practice in northern Michigan. After receiving his license to practice law, Hunter began working as a judicial law clerk for the 46th Circuit Court serving Crawford, Kalkaska and Oshtemo Counties, and worked in that capacity for approximately two years before beginning the practice of law in his home town of Grayling.

In addition to his career as an attorney, Hunter also enjoys an array of outdoor activities including hunting, fishing and mountain biking, and recently finished his 14th AuSable River Canoe Marathon in July of 2011, coming across the finish line in his personal best ninth position overall.

Since leaving the law clerk position with the 46th Circuit Court, Hunter has been zealously defending his client's rights in all areas of general practice law in several northern Michigan counties, and looks forward to continuing his practice in this area.

The law firm now employs four attorneys including partner William L. Carey, partner Richard J. Jaskowski, associate Adam T. Vernon, and new associate Colin G. Hunter.

Residents encouraged to give mittens as part of state pride

With Michigan rising to the occasion to prove itself as the true Mitten State, Travel Michigan, part of the Michigan Economic Development Corporation, is encouraging people to put their Michigan pride toward a good cause by donating new or gently used mittens to local charities around the state.

"The outpouring of enthusiasm and support from Michiganders for our

state over the past week has been tremendous," said George Zimmermann, vice president of Travel Michigan. "What better way for the Mitten State to harness this state pride than by providing those in need with mittens to stay warm this winter? As part of this effort we are joining with Travel Wisconsin to encourage folks to 'shake hands' and unite together for this great cause."

In Crawford County, the Friends of the Crawford County Library System, collected 150 winter wear items, including mittens, scarves and hats, through the annual Mitten Tree campaign. Some of the items were hand made by the Sit n' Knit Group, which meets at the Devereaux Memorial Crawford County Library.

Half the items were given to the Crawford Baby to Toddler Closet, which is

based at the Michelson Memorial United Methodist Church. The other half was given to the Crawford County Community Christian Help Center, to be distributed through its Christmas Giving program.

"The community was so generous," said Laura Purtil, vice president of the Friends of the Crawford County Library System. "The citizens and the Sit n' Knit group were very instrumental in another successful year for the Mitten Tree and helping the people in Crawford County who are in need this time of year."

Marianne Gosnell, director for the Crawford County Community Christian Help Center, said the organization is hoping to gather more mittens to distribute. "We still have a lot of hats, but we are in need of mittens," Gosnell said.

Individuals and Michigan businesses donating mittens are encouraged to share their experience on the Pure Michigan Facebook page or Pure Michigan Connect blog.

"During this season the mitten is emblematic of the many terrific opportunities for winter fun people can find here in Michigan," Zimmermann said. "This

mitten collection campaign is a perfect way to give back to Michigan, even as we continue our work to raise Michigan's profile as the wonderful winter destination that it is."

Pure Michigan kicked off its winter ad campaign with billboards going up in Michigan, Illinois, Indiana, Ohio and Wisconsin this month and television and radio ads will follow beginning Jan. 2, 2012.

The Michigan Snowsports Industries Association radio ad Ski the Hills of Michigan will air in Fort Wayne, Ind., Toledo, Ohio and Green Bay, Wis. as well as the in-state markets of Grand Rapids and Lansing. The Pure Michigan television ad Snow Days and Chance of Snow and the radio ads Snow Day and Snow will also air in these regional markets, as well as in Chicago, Ill., Indianapolis and South Bend, Ind. Cincinnati, Ohio and Milwaukee, Wis.

The Pure Michigan billboards — which highlight snowmobiling, snowboarding and ice climbing — are also being featured in these regional markets, as well as in Detroit, Grand Rapids, Flint, Lansing and Traverse City.

Christmas Day &
New Year's Day

'Twas the day before Christmas, but there was no cheer. No jingle bells jingled, no sound of reindeer. The word had gone out that Santa was sick. There would be no visit from jolly St. Nick.

The people were sad; no gaiety sounded. For Christmas had come, but Santa was grounded. He drove down the road, and what should he see? But a sign for a doctor, who was a D. C.

Now Santa was not one to like a new tactic, But all else had failed, so he tried Chiropractic. He entered the office and saw at a glance, in a place such as this, illness hasn't a chance.

The office staff smiled, the music was sappy, with all of the patients contented and happy. In a very short time, to judge by the clock, he was in the adjusting room, talking to Doc.

It must be the hurry, the tension and all, I simply can't seem to get on the ball. Life used to be easy; just kids, toys and whistles, now I dodge smog, spaceships and missiles.

And Doc, take a look at the size of this pack! Have you any idea what it does to my back? Poor Santa was miserable and just barely able, with the help of the Doctor, to get on the table.

The Doctor was gentle; without a fuss or a tussle he examined the vertebrae and relaxed every muscle. He spotted trouble and then with a click, started aligning the spine of old St. Nick.

Santa felt aches and pains slipping away and in no time at all he began to feel gay. The air was a tingle with new fallen snow and a healthy Kris Kringle was rarin' to go.

As he went out the door, he threw them a kiss; why, it had been centuries since he felt good as this! Then once more he shouldered the bag full of toys, his heart overflowing with true Christmas joys.

HAPPY HOLIDAYS!

Varsity squad wins 62-54 at HL with 4th quarter surge

Vikings fall in OT at Harbor Springs in 1st league game

The Grayling Vikings outscored the Houghton Lake Bobcats 14-2 down the stretch to win Monday's varsity girls basketball game by a final score of 62-54. Houghton Lake, a non-conference opponent, hosted the contest.

"It was a very close game the entire game. With five minutes left we were down four points. From that point on, we outscored Houghton Lake 14-2," Coach Joe Powers said. "We have to press. Since we are small in stature but big of heart, we have to work hard the entire game. Hopefully, the other team will wilt and we'll outscore them in the fourth quarter. Each of our games, we have accomplished the task of wearing

down the other team."

Jo Hamlin posted a double-double, scoring 29 points and getting 13 rebounds. She was 8 of 9 from the free-throw line.

Cierra Prosser also posted a double-double with 13 points and 10 rebounds. Josie Swander had seven points and 11 rebounds.

"It was a total team effort as we played a solid game. Rebounding continues to be a challenge for us and that is why we try to play a full-court game. Jo Hamlin had a monster game and Cierra Prosser had a very nice game," Coach Powers said. "Our entire team played well as each girl did her job. It was a nice win."

On Friday, in the team's league opener at Harbor

Springs, the Vikings rallied to force overtime, but the Rams won the contest by a final score of 60-48.

"We almost did it. We faced a very tough Harbor Springs team on their own court. We battled the entire game and were down for most of it. Being down six points in the last minute, our girls played frenetic and sent the game into overtime. Caitlin Prosser had a huge steal for us with 15 seconds left, being down two. Cierra Prosser hit a pressure packed shot with eight seconds to tie it up and send the game into overtime," Coach Powers said.

"In overtime, we had a couple of bad bounces but had quality shots that did not drop. Caitlin Prosser

fouled out and then Cierra Prosser also fouled out in the overtime. We did not prevail, but I'm extremely proud of the girls for showing the grit and determination to send the game into (overtime). One more point and we would have escaped with a huge road victory. The girls just keep playing with a tremendous amount of effort. Since we are so inexperienced, each game we'll continue to get better," Coach Powers said.

Hamlin had 23 points and 10 rebounds. Caitlin Prosser had seven points and five rebounds. Alyssa Morley scored nine points.

The Vikings (2-2 overall, 0-1 league) will play at Gaylord on Thursday, Dec. 22.

Grayling wins league opener 64-49 at Harbor Springs

JV Vikings move to 3-0 with conference victory vs. Rams

The Grayling High School varsity boys basketball team opened its 2011-2012 league schedule with a 64-49 victory at Harbor Springs on Friday night.

The Vikings led 19-16 after one quarter. Grayling had a 35-27 advantage at halftime. The Vikings outscored the Rams 21-15 in the third period to lead by 14, 56-42, going into the fourth quarter.

"We played very well at times in this game. Very pleased with our defensive pressure in the second and third quarters. I thought our kids did a great job of getting a win on the road. We improved at the free-throw line by making 14 of 18 free throws," Coach Rich Moffit said.

Riley Zigila had 15 points for Grayling. Steven Enos had 13 points and four steals. Thomas Burrell had nine points and six rebounds. Zane Tobin scored nine points. Scott Parkinson had six points and two blocks. Griffin Dean had four points, seven rebounds, and two blocks.

"Devon Dawson gave us a real spark off the bench. He played with a ton of energy. Jake Swander and Tyler McClanahan did an outstanding job of managing the game. Riley Zigila was outstanding at both ends of the court. Zane Tobin, who did not start because of a shoulder injury, did a nice job of providing a spark in the second quarter. Burrell had some key

rebounds for us. Enos was 7 of 9 from the free-throw line, which was a key," Coach Moffit said.

The Vikings (2-1 overall, 1-0 league) will play at Gaylord on Thursday, Dec. 22.

The GHS junior varsity boys basketball team improved its season record to 3-0 with a 61-40 conference victory vs. the visiting Harbor Springs Rams on Thursday night.

Grayling led 11-6 after one quarter. The Vikings had a 29-17 advantage at halftime and they extended their lead to 15, 42-27, by the end of the third quarter.

Justice Junttila had 24 points and nine rebounds for the Vikings. Scott Wakeley

had 12 points. Tyler Summers and Peyton Zigila each scored eight points for GHS. Michael Branch had six rebounds and Matt Burrell had five steals.

On Friday, Dec. 9, the JV Vikings won 50-26 at Glen Lake.

Junttila posted a double-double with 18 points and 10 rebounds. Wakeley had seven points. Branch had eight rebounds.

Grayling (3-0 overall, 1-0 league) will host Gaylord at Grayling Middle School on Wednesday, Dec. 21.

Scott Wakeley dribbles the ball for GHS on Thursday.

Tyler Summers handles the ball for the Vikings vs. the Rams.

Michael Branch takes an inside shot for Grayling.

9th graders win opener 67-19

Grayling High School's 9th grade boys basketball team won 67-19 in its season opener at Harbor Springs on Friday night.

Carson Burmeister, Scout Tobin, and Darin Nicholas each scored 10 points for Grayling. Nicholas also had seven assists. Zane Pittman scored seven points. Mason

Papendick and Emmett Helsel each had six points. Gunner Metzger had five points. Tyler Wyman, Dylan Wyman, and Dallas Johnson scored two points apiece.

"Pretty cool that we didn't have a kid score over 10 points and very cool that every player scored. This

shows how well this team shares the ball and proves that they play team basketball," Coach Chris Kucharek said. "Good win and good start to the season."

The Vikings (1-0 overall, 1-0 league) will play at Gaylord on Thursday, Dec. 22.

JV girls win by 10 vs. Harbor Springs on Thursday

Grayling High School's junior varsity girls basketball team won its league opener on Thursday night, defeating the visiting Rams of Harbor Springs 36-26.

The Vikings trailed early in the game but they battled back in the second quarter.

Harbor Springs led 7-2 at the end of the first period. The Rams scored the first two baskets of the second quarter to lead 11-2.

Grayling outscored Harbor Springs 16-3 during the last 5:30 of the second period. The 16-3 run included an inside shot by Taylor Nielson, a jump shot by Hailey Petty, a jumper by Sam Denno, a put-back by Makayla Cragg, two free throws from Meagan Malm, a drive by Tandy Mitchell, an inside shot by Cragg, and a jumper by Petty.

Grayling led 18-14 at halftime.

Harbor Springs scored the first four points of the third quarter to tie the game at 18-18. Grayling finished the period with a 10-4 run, a series that included two baskets by Mitchell, two baskets by Cragg, and a put-back by Nielson.

Grayling led by six, 28-22, going into the fourth quarter.

Denno scored on a put-back for Grayling. Neither team scored during the next 3:10 of clock time. Cragg hit an inside shot for the Vikings at the 4:32 mark. Grayling led by 10. Mitchell hit two more shots for the Vikings down the stretch and

Grayling won by 10, 36-26.

Cragg and Mitchell each scored 10 points for the Vikings.

Coach Brooke Knight said the squad wanted to avoid another slow start, an issue they've had early in the season, but it didn't happen this time.

"I was hoping we'd get off to a better start," Coach Knight said. "They fought to get the lead back and never lost it. They played hard to get the lead and maintain it."

"I thought the girls played a good solid game," Coach Knight said.

On Monday night the Vikings lost 48-42 at Houghton Lake.

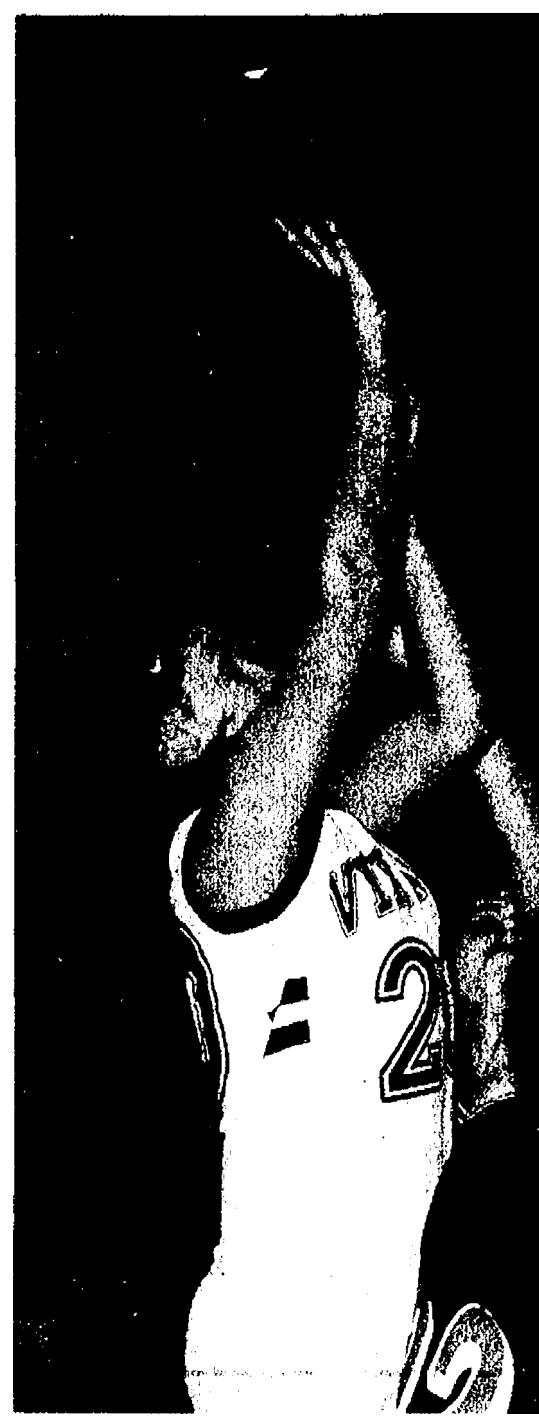

The Vikings were down early (10-2 at one point).

"We played even in the second quarter and were down 25-15 at half-time. We shot 7 for 18 (from the free-throw line) in the first half. Free throws killed us in the first half," Coach Knight said. "In the third quarter we played pretty even. In the fourth quarter we outscored them 17-9 but we ran out of time to come back."

"They played hard and battled back, just ran out of time," Coach Knight said.

Malm had 13 points (9 of 11 free throws) for the Vikings. Denno had seven points.

The Vikings (1-3 overall, 1-0 league) will host Gaylord at Grayling Middle School at 6 p.m. on Wednesday, Dec. 21.

Makayla Cragg takes an inside shot for the Vikings.

Meagan Malm handles the ball for Grayling on Thursday vs. the Rams.

GMS Boys Basketball

7th grade team

The GMS 7th grade boys basketball team lost 43-9 vs. Traverse City St. Elizabeth on Monday.

"As indicated by the score we really struggled. The team just had a very bad night. We missed a lot of shots and struggled against the press and allowed St. Elizabeth to get out to a 15-0 first quarter lead. We did better in the second quarter when we started to break the press but still were outscored 9-4. Defensively we played better in the second half but just could not put the ball in the basket even on easy shots," Coach Craig Hofman said.

Troy Summers had six points for the Vikings.

On Wednesday, the Vikings won 27-24 at Kalkaska.

"A big bounce back win on the road for the team. Still struggled shooting against the (Kalkaska) zone defense, which we have not had to go against

all year. We allowed Kalkaska's big man to get too many easy shots, which allowed them to stay in the game with us all night. We also struggled at the end of the game closing it out. The players did a nice job holding on for the victory," Coach Hofman said.

Summers had 10 points. Darren Johnston had 7 and Fred Fisher had 4. Ron Woidon, Koedy Dole, and Josh Heffield each scored 2.

The team finished the regular season at 2-8.

The squad will play in the East Jordan tournament on Dec. 16-17.

7th/8th grade team

The 7th/8th grade combo team from Grayling Middle School won 37-20 at Traverse City on Monday. The win improved the squad's record to 8-1.

"The boys had another great game. We had seven of nine players scoring," Coach Jeff McMann said.

"We started out strong (with) our point guard, Shane McCleave, driving

to the hole, scoring six of our nine points in the first quarter. In the second quarter we came out tough on defense, only giving up two points in that quarter and we scored 13. Thomas Barnes came through with the big scoring in that quarter with seven of 13 points," Coach McMann said. "In the third quarter we outscored them 8-5, and in the fourth quarter (we) outscored them 7-5. We had a different player leading the scoring. Todd Bilyeu had five of our seven points; that's the most he had this year. He played a good game. All the boys had a great game on both ends of the floor."

Leading scorers: Barnes 13, McCleave 10, Bilyeu 5, Jeremy Garcia 4, Greg Alma 2, Chess Reynolds 2, Fred Shippy 1.

"Even though Alex Ferrigan and Andrew Benardo did not get in the scoring they played a big part in defense and dishing the ball to the open guy," Coach McMann said.

CHERYL MITCHELL, DDS

Nolan Ryan (140) wrestles against Elk Rapids
during last Monday's meet at GHS.

Jeff Myers (215) wins his match vs. Elk Rapids
on Monday night.

Wrestlers defeat Elks, Blazers in league opener

Continued from Page 1B

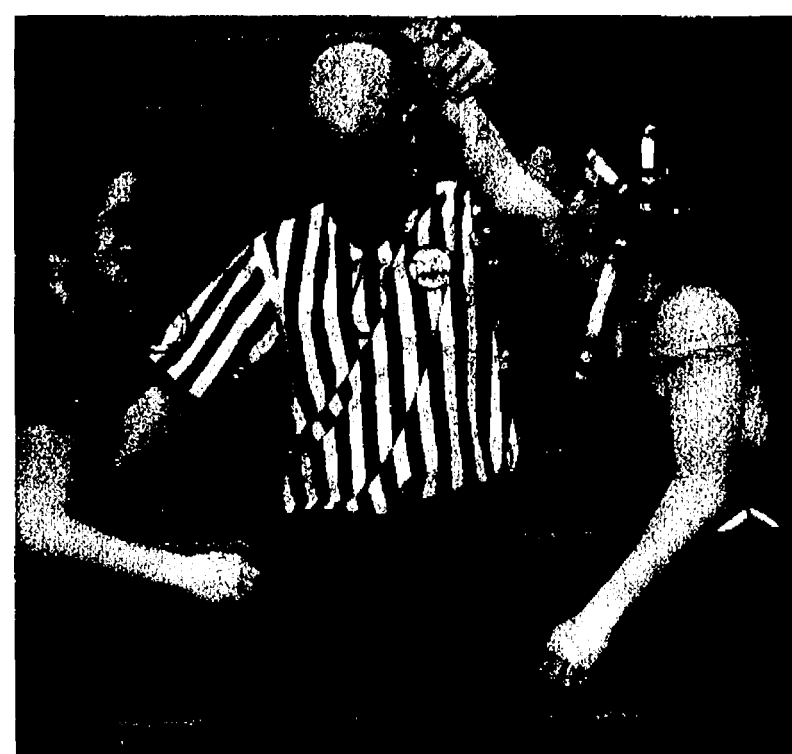

On Wednesday night the Vikings posted two more league wins, defeating Boyne City and Charlevoix in a meet hosted by the Rayders. Grayling won 48-21 vs. Boyne City. The Vikings defeated Charlevoix 54-12.

Ghayge Toomey, Blake Hatfield, Elmy, Handrich, Jensen, Myers, and Joseph all won two matches during the meet. Cheney, Schultz, and Jacob Thomas each won one match.

"Two wins tonight makes us 4-0 in our conference,

which sets up an important match against Traverse City St. Francis in January for the regular season championship," Coach Moore said. (The Lake Michigan Conference has had wrestling as an official league sport for six years; Grayling has won the league title in four of those years and Traverse City St. Francis has won it twice, including last year.)

The wrestling team (4-0 league) will host Kingsley and Rogers City on Wednesday, Dec. 21.

The referee signals a win for Cody Elmy during last week's league meet vs. the Kalkaska Blazers. Elmy won his 100th match during a tournament on Saturday.

Wrestler wins 100th match at Farwell

The Vikings placed fifth out of 10 teams and one Grayling High School wrestler won his 100th career match during the Farwell Invitational on Saturday.

Two Vikings won tournament championships in their weight divisions at Farwell: Cody Elmy and Brandon Handrich. Both wrestlers were 5-0 during the event.

Elmy, in his first bout of the tournament, earned his 100th career high school wrestling victory.

Ghayge Toomey and Zack Cheney posted 4-1

records on Saturday. Danny Schultz was 3-1, Kyle Birdsall was 3-0, and Ty Jensen was 3-2.

"This was our toughest competition so far this season. We lost to Kingsley by one point and beat St. Louis by one point. We had wins against Farwell, Forest Area, and St. Louis with losses against Frankenmuth and Kingsley," Coach Andy Moore said. "Ty Jensen had the most exciting match this season so far with a 9-8 overtime win, which secured our win against St. Louis."
